“Search and Rescue” ,being deeply committed to the very Heart of God, has provided spiritual and natural services to sent souls in need. The goal and hope for each soul is always Salvation! But just as our Lord understood when He fed the 5,000, empty bellies cannot hear the Gospel through their physical need. If we address the one ,the hope is that the other will follow. PRAISE GOD for those who accept Him as Savior!!! Praise Him still for those He is sending!!! May they choose Him and Him alone as Savior!!!

Missionary Connection Search and Rescue , by Gods grace and the vision of His heart, expanded in February 2008 to a full service ministry. Manned by a faithful few, fully committed to the work of our Lord and Savior Jesus Christ concerning souls and the natural needs of every human

### !!FOR HIS GLORY ALONE!!

2008 was just an awesome year!!! 700 souls came through the ‘Search and Rescue’ doors and 200 received what our Lord had prepared for them! Though not all came for the same things our Lord helped them all according to the measure they were ready for. As Rev. Anthony Stone says often, “ If you only want to go a 1/2 mile we will go 1/2 mile. If you want to go a mile, we will go a mile.” We will go with you on your journey if you let us! Praise God there were some that let us journey with them!!!
